3467062v1 (Aerovox - LT G. Martin re Dispute Resolution - 12-12-16).pdf

Looks like Aerovox is heading for dispute resolution with the State. Looks like there about 24 days of process to resolve a dispute before it gets Millie, the Regional Director. MassDEP is supposed to issue the final letter this Friday. We haven't seen a copy of the revised draft letter since our meeting last week.

The Statements of Position will be submitted to the Regional Director for Massachusetts Southeast Office or his/her designee ("Regional Director") on the date MassDEP provides a written Statement of Position to Respondent. The Regional Director shall issue a written decision on the dispute based upon the Statements of Position and any other information, which may include a meeting with one or both parties. The Regional Director's written decision shall constitute the final decision on the matter, which shall be binding on the parties and not subject to administrative or judicial appeal or review.
